Experience

FULL STACK .NET DEVELOPER/LEAD AEM DEVELOPER | NET TANGO | DECEMBER 2020 – JUNE 2023

- Became Net Tango's technical expert on Adobe Experience Manager, as well as cross trained to work as a full stack .NET developer providing clean, scalable solutions to huge enterprise clients as well as introduced new technologies to the team, in order to shorten development time and boost productivity.

JAVA DEVELOPER

- Gained a plethora of hands on experience with Java Development as part of an Agile team, even virtually, through the newly founded Greater Knox Coding Academy. Learned all about coding to the interface, test driven development, and how to be sure to always following the best practices according to object oriented programming. Also learned a bit of Spring Boot as well.

IHD TECHNICIAN| BLUEGRASS CELLULAR | SEPTEMBER 2020 – NOVEMBER 2020

- Gained IT experience as an IHD Technician. Ensured client satisfaction by troubleshooting a variety of problems across many different industries, from a Grandma who can'tget the T.V. to work for her grandkids, or an airport who can't fuel their planes until their programs are back up and running. Provided client satisfaction in a timely and thorough manner.
