• Resourceful Java/AEM/.NET Full Stack Developer with talent for working with multicultural teams. Expert at working in Agile environments using Scrum methodologies.

Authorized to work in the US for any employer

Work Experience

Lead AEM Developer/Full Stack .NET Developer
Net Tango - Elizabethtown, KY
December 2020 to Present

Researched Adobe Experience Manager (AEM) in order to become Net Tango's technical expert on AEM, gained experience training other developers on setting up, deploying to, and developing in AEM environments in order to meet the needs of many enterprise level clients. Also cross trained to work on the .NET development teams in order to build, maintain, and update enterprise level .NET applications as a part of a diverse agile team.
